Other ways you can help the animals:

Volunteer liability waiver

I, _____, of _____
(address) am a volunteer performing certain services to Fayette Friends of Animals, hereinafter called "FFOA". I understand and agree these services are charitable in nature and entirely voluntary and that I will receive no compensation of any kind.

I understand that FFOA' volunteers are covered as additional insures on FFOA' commercial general liability insurance, and that this insurance will only protect me for claims made against me for injuries or property damage I cause that arise out of duties performed within the scope of my volunteer job description for FFOA. This is liability insurance and does NOT cover injuries to myself. Additionally, I may be personally liable to injured parties if injuries result from my negligence.

I understand that FFOA does NOT maintain automobile insurance for volunteers. I must maintain my own comprehensive and collision insurance for damage to my vehicle as FFOA insurance does NOT pay for any damage done to volunteer vehicles while being driven on FFOA business or vehicles parked on FFOA premises.

I will indemnify, hold harmless, release and defend FFOA from and against any and all actions, claims, damages, disabilities, or expenses that may be asserted by any person or entity arising out/or in connection with my participation as a volunteer for FFOA. Ex (injury may result from cat scratches and/or bites while I am trapping, transporting, medicating, fostering, adopting, or moving cats or dogs).

This statement is executed freely and voluntarily and with full knowledge by the undersigned.
