

Cats & Kids

Fayette Friends of Animals, located at 223 Searights-Herbert Road, Uniontown, PA, is beginning a literacy program for 2015 entitled **Cats & Kids** Reading Program.

Children in grades 1-6 who are able to read at any level are invited to the shelter to read to the cats in our adoption room.

This program is for those who love our feline friends and would like the opportunity to spend some time with them. All you

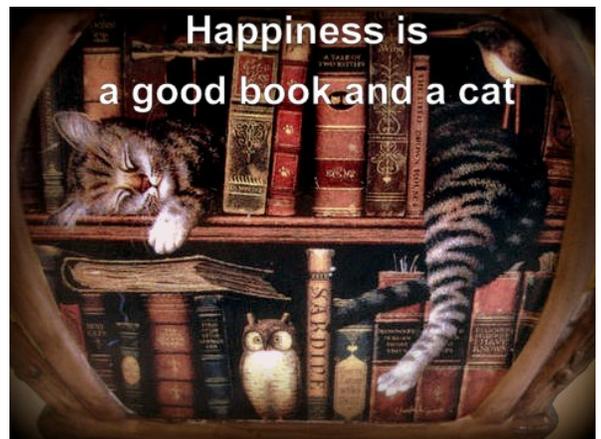

need to do is bring along a good book and sit with our cats in the adoption room and read to them. Your book can be scary, funny, or full of interesting facts. The cats don't mind what kind of book it is. They just want someone to share some time with while you get to practice your reading. This will help the shelter animals by providing socialization and human interaction. Cats find the rhythmic sound of a voice very comforting and soothing.

Beginning in May, the reading sessions will be held on various Saturdays of each month from 12:00-4:00. For the most part, they will usually be 1/2 hour in length. Once school is out for the summer, other sessions will be added.

If you have a child that would be interested in participating in our program, please complete the form and mail it to : Fayette Friends of Animals P.O. Box 1282 Uniontown, PA 15401.
